New Horizons has visited Pluto for the first time!
What did it find there?

Professor Jim Imamura of the University of Oregon, USA will give a short presentation about the history of Pluto, the New Horizons mission and about the surprising new discoveries the probe has made there.

**Learn about science and
practice English!**

After the presentation, we will have a discussion
over café drinks, sandwiches and sweets.
Native speakers will be there to help!

**Register by Friday,
September 11th.**

**Space is limited to
the first 30 people**
