NESCAFÉ Sannomiya

Thursday, September 28th 18:30 –20:30 **800円**

Join us for an English science lecture and discussion over cafe drinks and sandwiches.

**Presentation by Dr. Steven Rieder: Research fellow at RIKEN AICS –
Advanced Institute for Computational Science**

The Universe around us is constantly moving and changing - but to see this, we have to wait years, centuries, or even millions of years.

Dr. Rieder will explain how simulations of planets, stars and galaxies help us better understand the dynamic nature of the Universe.

To register e-mail your name to The Kobe University Science Shop at:
